Kim,

My preference is for OPTION 1, although I can make any of the dates/times.

Thanks,

Jennifer

Subject: Weekly Meetings with MDEQ

Hi team,

As discussed during yesterday's team meeting, I'll be pushing more aggressively to get the weekly technical staff meetings scheduled with MDEQ. Scheduling is tricky, however, with the holidays quickly approaching but most of us appear to be available on the following days for the first initial meeting.

OPTION 1: December 20th from 10-11 am
OPTION 2: December 27th from 1-2 pm
OPTION 3: January 8th, 2018 10-11 am

Ex. 5 - Deliberative Process

So, at your earliest convenience please give me a quick note on your preference for option 1, 2, 3 (or other).

Thanks!
-Kim

Subject: List of Participants for Weekly Meetings with MDEQ

Hello Heidi, Carol, and Sue:

I attach below the current list of EPA-R5 technical and legal staff who we believe should be attending any weekly meetings with MDEQ on Wolverine. Kimberly Harris will be Region 5's POC/facilitator for any such weekly meetings. As you heard on the call today, we are still looking at the potential applicability of various EPA program offices to the Wolverine issues, so the list may evolve over time.

We would appreciate it if MDEQ could forward us an analogous list.

Thanks.

Chris
